Subject: - Kabul Bank- permitting normal correspondent banking operations.

Da Afghanistan Bank (Central Bank) wants to inform you that there was a change in the management of Kabul Bank as per the Resolution of DAB's Supreme Council back in June 2010. DAB didn't take over Kabul Bank. The media exaggerated the matter. Kabul Bank is well capitalized, highly liquid, profitable, safe and sound.

DAB fully supports the bank and we request you to provide all necessary assistance to Kabul Bank to carry out their operations.

Very truly yours,

Abdul Qadeer Fitrat

Governor
Da Afghanistan Bank
